SKILLS

- front-end development
- web designing
- communication
- Team Building
- Team Leadership

SUMMARY

Recent BSc Computer Science graduate with hands-on experience building responsive web applications using HTML, CSS, JavaScript, and React. Skilled in creating reusable UI components, integrating APIs, and solving real-world problems through project-based learning. Eager to contribute as a front-end developer in a dynamic, collaborative environment.

WORK EXPERIENCE

front-developer

Bridgeon-skillversity

- Worked as a Python Full-Stack Developer at Bludgeon Solution from September 2025 to February 2026, developing and maintaining web applications using Python, Django/Flask, HTML, CSS, and JavaScript. Contributed to end-to-end features including database design, API development, and responsive front-end interfaces, while collaborating with the team in an Agile environment to deliver scalable solutions on time
